Dear Lew,

In addition to the regional or State organizations listed in your letter, the following non-local organizations are affiliated with the ANA:

American Vecturist Association. Secretary is Qunicy A Laflin, 1145 Argyle St., St Paul 3, Minn. This is the national organization of collectors of transportation tokens. They have an annual convention.

Secretary of the Colorado-Wyoming Numusmatic Assn is C G Klein, 7706 Robinson Way, Arvada, Colo. Dan Brown is good contact man.

Iowa Numismatic Association. Mrs Elmer P Laurent, Secy., 212 28th Ave N, Clinton, Iowa.

Secretary of the Ohio State Numismatic Society is C H Clark, 923 High St., Worthington, Ohio

President of the Oklahoma-Kansas Numismatic Association is W H Elliott, 1907 E 13th Place, Tulsa 4, Okla

Orders and Medals Society of America. S Gregory Yasinitsky, Secy. 5000 Calif. St, San Francisco, Calif

Secretary of the Pacific Northwest Numismatic Assn is Mrs DeNise. Seattle.

Penn-Ohio Coin Clubs. Robert Campbell, Secy. 565 Garfield Place, Mansfield, Ohio

South Dakota Numismatic Society. Albert N Hanten, Secy. White Lake, S.D. [Two conventions a year]

The American Numismatic Society in N.Y. is affiliated but I doubt that there would be much you could do in connection with their activities. They do not conflict or connect with those of other organizations.

We also have a sizable list of foreign affiliates, mostly of a non-local character. This list will be included in the Organizational Directory in the Oct issue, following the clubs in U.S.

Of these, our principal opportunities for direct cooperation would be the Canadian and Mexican societies.

I'm getting back in the "groove" and most things are under control. I'm still having a little difficulty in cleaning things up in Dallas and finding just how we stand financially. We have a deficit, but not too serious. Will absorb some of the "profits" of the New York convention but will not affect the general fund.

I submitted approximate, rounded off, figures for the reimbursement of convention travel expense, and have issued vouchers for same. If you find that the amount suggested for your reimbursement is substantially below what it should have been, please advise and I will issue voucher for difference.

New applications coming in very well this month and a flock of reinstatements in, and in prospect. I hope that this will get us off to a good start for another good year.

Daughter Martha was greatly thrilled at the convention, and most appreciative of the kindness of Mrs Panosh for the menus, received a a few days ago.

Kindest regards,

Lew.
